JULIA BROWNLEY

A LEADER IN BRINGING JOBS HOME

Julia Brownley has a jobs plan to put people back to work with clean energy technologies, infrastructure improvements and education for the best jobs of today and tomorrow.

"BUY CALIFORNIA" MEASURE TO CREATE AND KEEP JOBS HERE

Brownley supported a bill to help consumers switch to clean energy sources and help clean energy providers reduce costs. And it encourages buying in California to keep clean energy companies – and their jobs – here in state.¹

1 AB 1150, 2011
